Methodology: Agile, Scrum

---

## WORK EXPERIENCE

Full Stack Developer | Careers Worldwide Pune
Jan 2025 – Present

- Developed and maintained scalable web applications using Spring Boot and React.js
- Worked on developing static and dynamic websites using React.js and Spring Boot, including SEO-optimized pages and content-driven components.
- Improved application performance and API response times through code optimization and efficient database queries
- Designed and implemented RESTful APIs with secure JWT-based authentication
- Integrated PostgreSQL and MySQL databases with JPA for data persistence
- Containerized applications using Docker and deployed on Linux VPS with Nginx
- Collaborated with cross-functional teams to deliver business-driven solutions

---

## PROJECTS

### Invoice & Billing Platform

**Tech**: React.js, Spring Boot, PostgreSQL

- Developed a complete invoice management system including invoice creation, listing, and tracking
- Designed and implemented REST APIs using Spring Boot
- Integrated PostgreSQL database for invoice and client data management
- Ensured clean code structure and scalable backend design

### Applicant Tracking System (ATS)

**Tech**: React.js, Spring Boot, PostgreSQL, JWT, Docker

- Built an end-to-end recruitment system to manage the candidate lifecycle
- Implemented JWT-based authentication and role-based access control
- Developed dynamic dashboards using React.js
- Containerized application using Docker and deployed on Linux server with Nginx

### Client Website & CMS Platform

**Tech**: React.js, Spring Boot, HTML5, CSS3, SEO, Nginx

- Developed static and dynamic websites for multiple clients based on business requirements
- Built SEO-optimized and performance-focused web pages
- Implemented content-driven dynamic components using React.js
- Deployed websites on Linux servers using Nginx

---

## EDUCATION

Master of Computer Applications (MCA) | 2023 – 2025
Bachelor of Science (BSc) | 2019 – 2022

---

## CERTIFICATIONS

- Salesforce Certified Administrator
- Salesforce Certified Associate
- Salesforce Certified Platform Developer I

---

## LANGUAGES

English, Hindi, Marathi

---
